

Out of Sight Productions Theatre Workshops

We invite all persons with vision impairments in the London area to join us for

Out of Sight Theatre Workshops,
held annually.

Past Workshops have dealt with:

1. Resources: How to find out about upcoming plays to see and/or audition for.
2. Barriers presented to persons with vision impairments concerning community theatre.
3. How to choose and work with a selected monologue.
4. Preparing for an audition and making the choice of what play might be good for you, beyond just liking it.

Out of Sight Productions

Showcasing the Talent of the Vision-restricted Community in London

Our Mission:

- * To be a venue in the London region for all persons with visual impairments.
- * To bring vision-restricted theatre artists and non-vision-restricted theatre artists together,

providing the opportunity to meet new people, to learn from each other, and to create and produce fun and exciting theatrical projects.

* Inspired by Toronto's Glenvale Players who have been producing theatre for over 60 years, **Out of Sight Productions** hopes to introduce theatre craft to the vision-restricted community in the London area.

* Tasks such as writing a play, making costumes, building sets, acting, directing, operating lights, and providing moral support can be performed by vision-restricted and non-vision-restricted individuals.

* All tasks are vital to ensuring a successful project since they require communication, cooperation, team building, and can make a significant contribution to a positive working environment.
